# Dedication at Po Kong

To Kong 4 miles from Sio Chung in  
Hoi Ping District

One of the Encouraging Days - Today the  
new Chophat at this place dedicated  
Cost 4000 silver and all by very self-  
denying efforts on part of a very limited  
number of Chinese - Six men, working men  
began by giving "20 each - They sent  
word to others of their clan - After 2  
years they had about "2000 - They urged  
others to help - The work was begun, &

after using \$300 on foundation Evil  
men stirred up bad men who destroyed  
foundation - I saw Consul 7 times before we  
could get security - One magis trate had been  
bribed to work against us - He was removed  
New man helped us - Today over 400 present -  
Many boats with Christians came on  
Shallow from schools - Heavy rain all  
morning, but building crowded -
